No, I don't have anything to add at this time. Yes, thanks to the team for working this issue.

This works for me. Neil, anything to add? Tell the team thanks for me, and I'll keep you in the loop if (when?) this gets political. Can we get a copy of the draft doc before signature?

Kimberly – you asked for the aldicarb team to add analysis to the current PCTn draft and let you know the plan before proceeding. Below is the email I plan to send to the team. Please let me know if you have any further guidance. Thank you. – Monisha
